

# Activo by Playworld Systems®

**Activo is a contemporary and modern playsystem, representing the highest value in its class.**

Activo's sleek, non-linear design was created for children ages 8-14\* who want a challenging playspace all their own. With unlimited entry and exit points, Activo's unpredictable play paths inspire kids to create new routes every time they play.

Activo features unique shapes and ropes that shift with the user, for an ever-changing play experience. Activo can also be play functionally linked, combining designs to create one incredible playspace.

Not only is it new and exciting, but Activo is also environmentally friendly! Activo has the lowest carbon footprint of any playsystem offered by Playworld Systems. For more information about our green initiative, visit [www.Planet.PlayworldSystems.com](http://www.Planet.PlayworldSystems.com).

# Activo Designs

Activo is available in nine pre-planned designs packed with all-new play components. These streamlined designs give kids more action in less space.

Aria

Ares

Zelo

Ceres

## Luxo - ZZXX0076

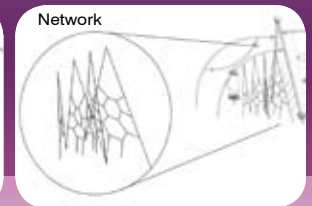

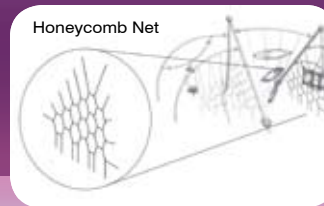

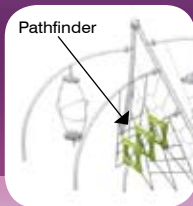

Size: 30' x 21' x 13'

(9,14m x 6,4m x 3,6m)

Capacity: Up to 21 children

### Featured Components

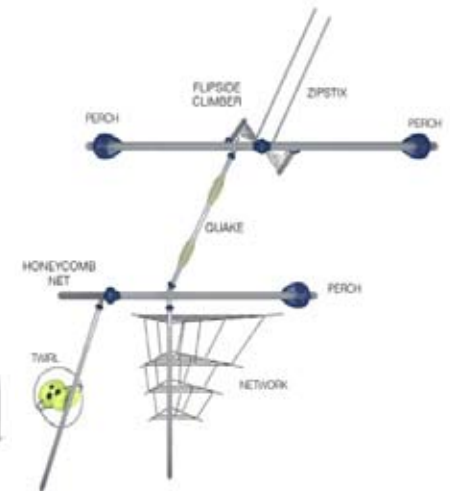

## Novo - ZZXX0075

Size: 26' x 26' x 13'

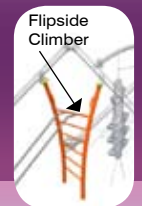

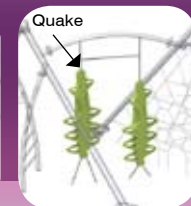

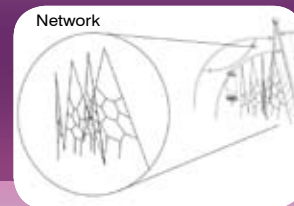

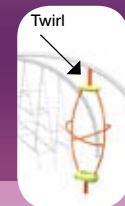

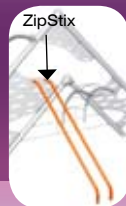

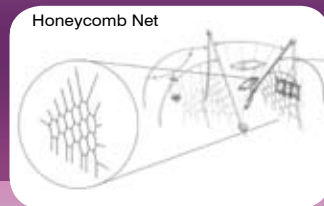

(7,92m x 7,92m x 3,96m)

Weight: 1503 lbs (682kg)

Capacity: Up to 17 children

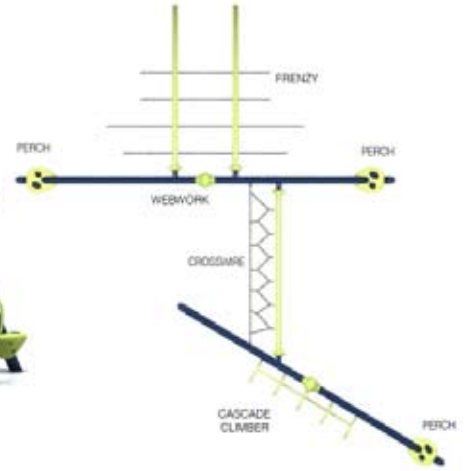

### Featured Components

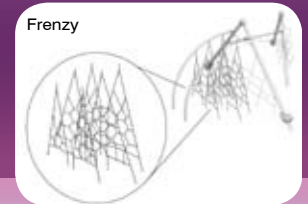

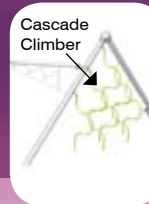

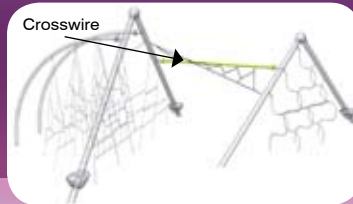

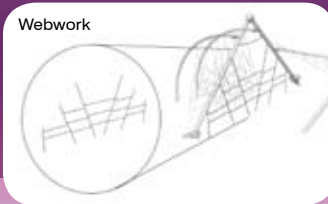

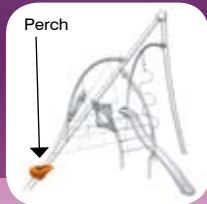

# Activo Designs

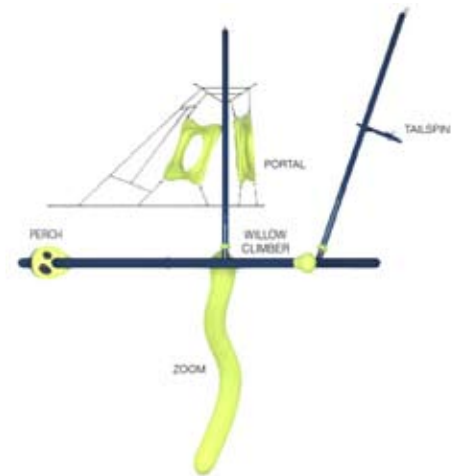

**Aria** - ZZXX0074  
 Size: 25' x 26' x 11'  
 (7,62m x 7,92m x 3,35m)  
 Weight: 1157 lbs (525kg)  
 Capacity: Up to 16 children

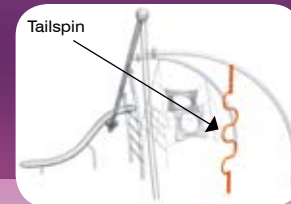

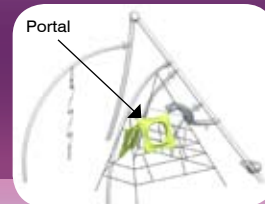

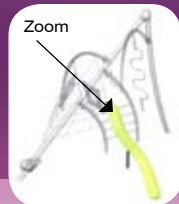

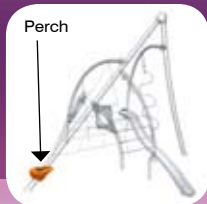

## Featured Components

**Zelo** - ZZXX0069  
 Size: 18' x 20' x 13'  
 (5,49m x 6,10m x 3,96m)  
 Weight: 898 lbs (407kg)  
 Capacity: Up to 9 children

## Featured Components

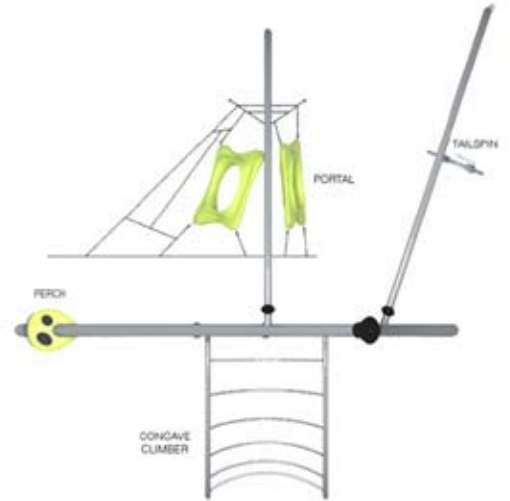

# Activo Designs

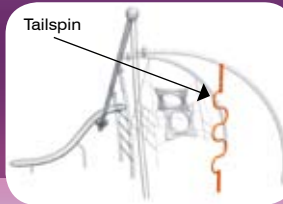

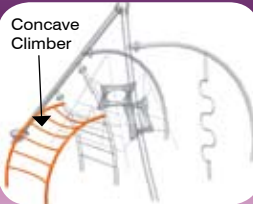

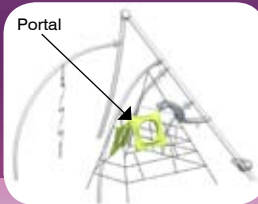

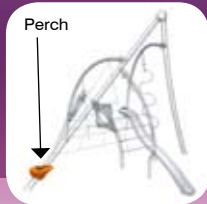

## Ceres - ZZXX0070

Size: 18' x 17' x 13'  
 (5,49m x 5,18m x 3,96m)  
 Weight: 937 lbs (425kg)  
 Capacity: Up to 9 children

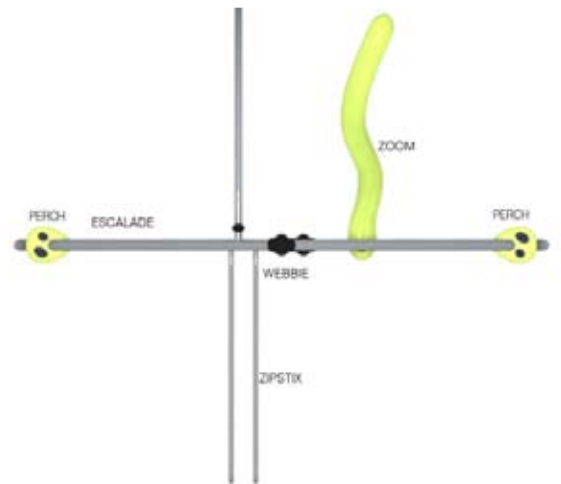

### Featured Components

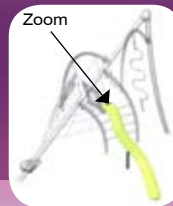

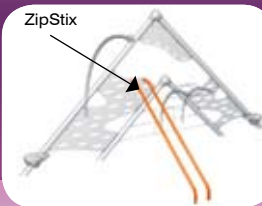

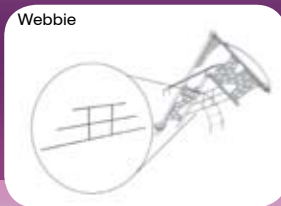

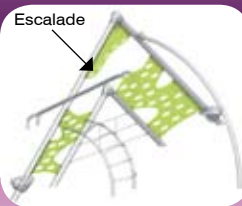

## Ares - ZZXX0071

Size: 22' x 19' x 11'  
 (6,71m x 5,79m x 3,35m)  
 Weight: 937 lbs (425kg)  
 Capacity: Up to 11 children

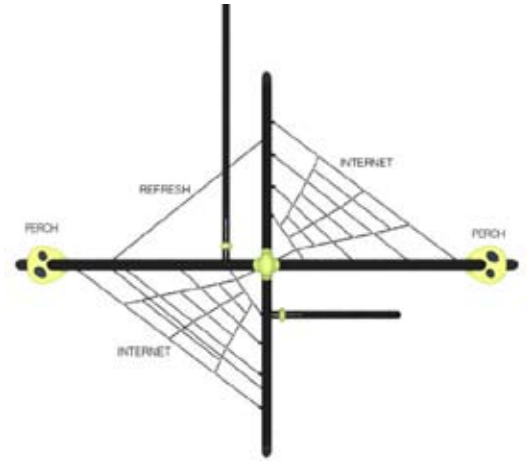

### Featured Components

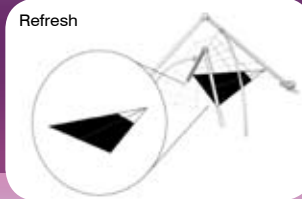

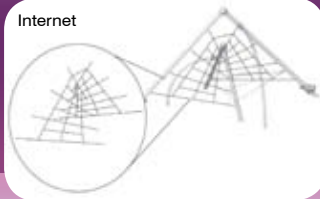

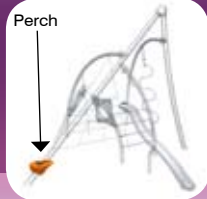

# Activo Designs

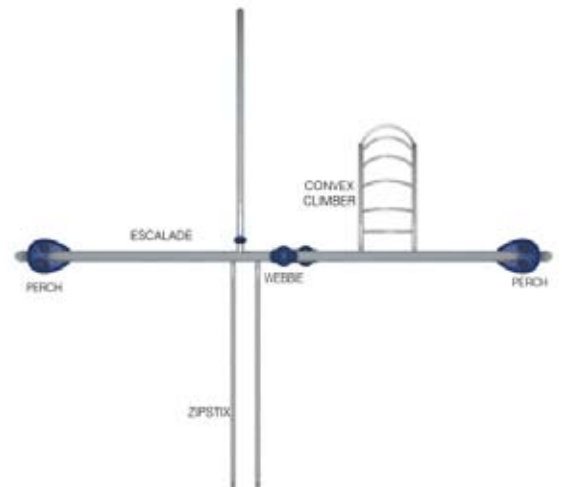

**Iver** - ZZXX0073  
 Size: 23' x 17' x 11'  
 (7,01m x 5,15m x 3,35m)  
 Weight: 778 lbs (353kg)  
 Capacity: Up to 8 children

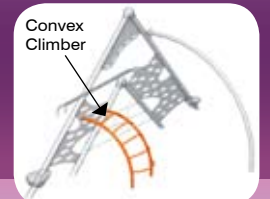

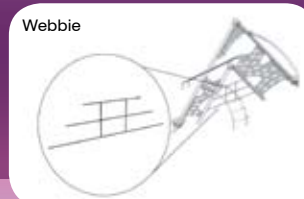

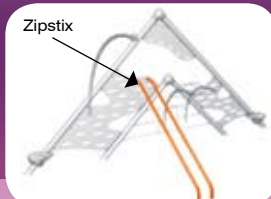

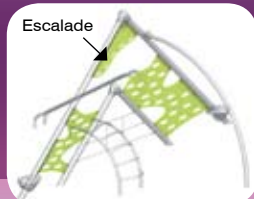

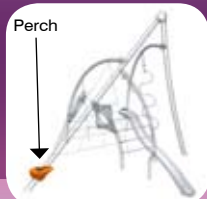

## Featured Components

**Argo** - ZZXX0072  
 Size: 22' x 19' x 11'  
 (6,71m x 5,79m x 3,35m)  
 Weight: 957 lbs (434kg)  
 Capacity: Up to 11 children

## Featured Components

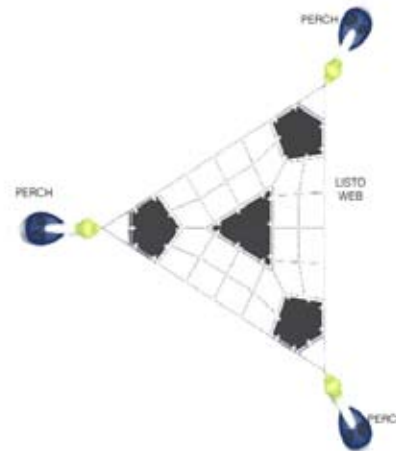

# Activo Designs

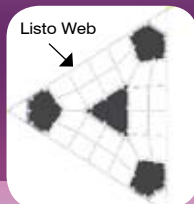

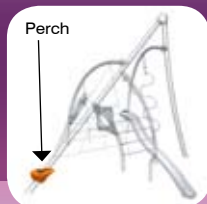

## Listo - ZZXX0068

Size: 17' x 19' x 4'  
(5,18m x 5,79m x 1,22m)  
Weight: 477 lbs (216kg)  
Capacity: Up to 8 children

## Featured Components

## Activo's Stand-Alone Motion Item

### Nucleo - ZZXX0083

Size: 3' x 2' x 2'  
(0,91m x 0,61m x 0,61m)

# Activo Components

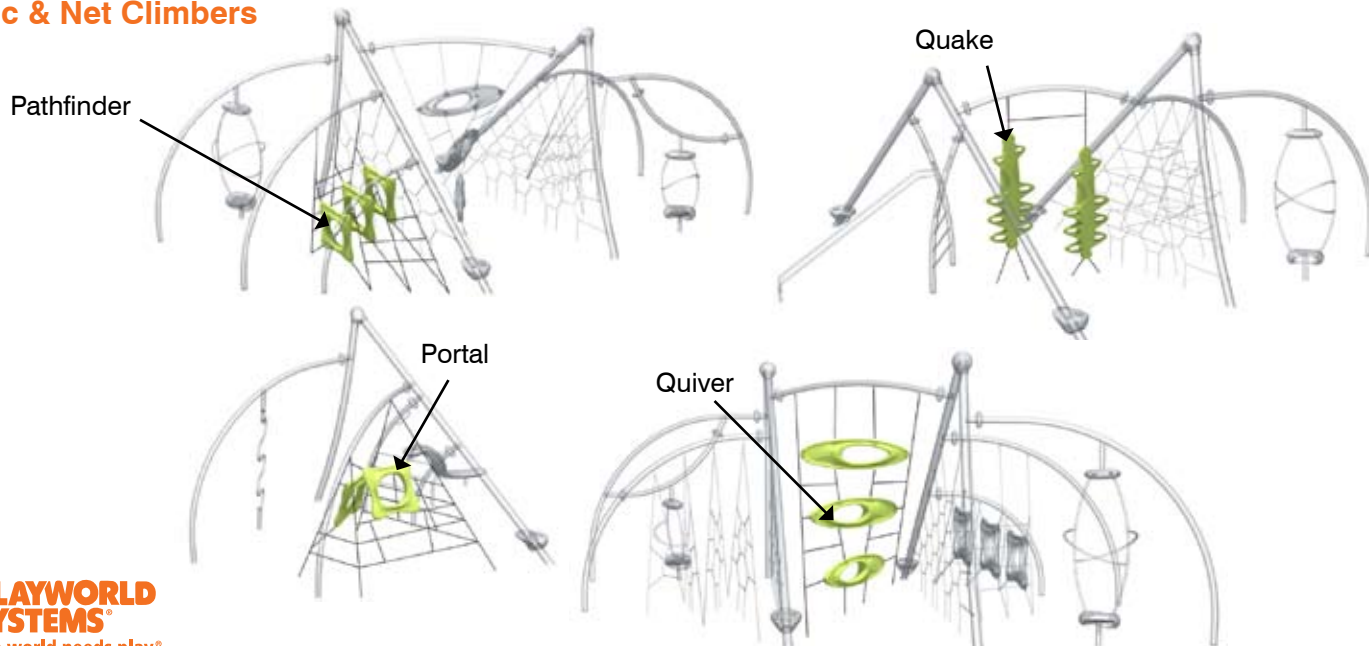

Featuring 26 new play pieces with more still to come!

**Climbers** Activo's wide variety of steel, net and plastic climbers build agility and develop spatial awareness. Multiple children playing on any of our net climbers at once enhances the climbing experience. Activo's combination of vertical planar nets & 3-dimensional nets provides virtually limitless paths of play.

## Steel Climbers

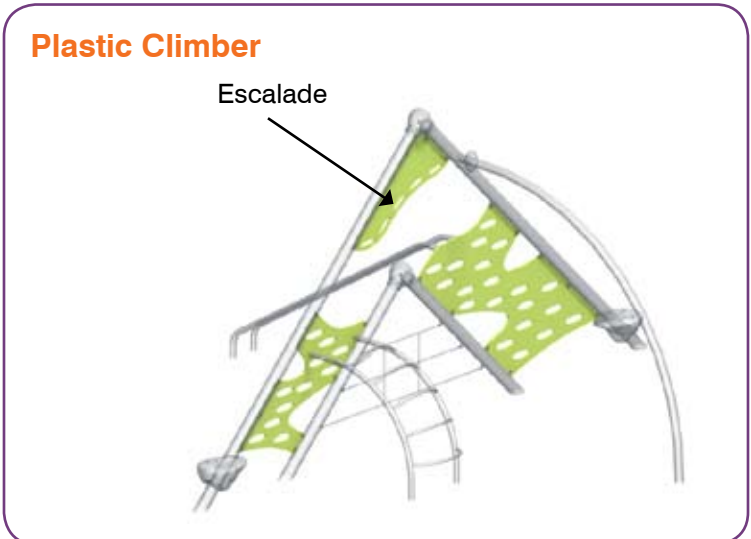

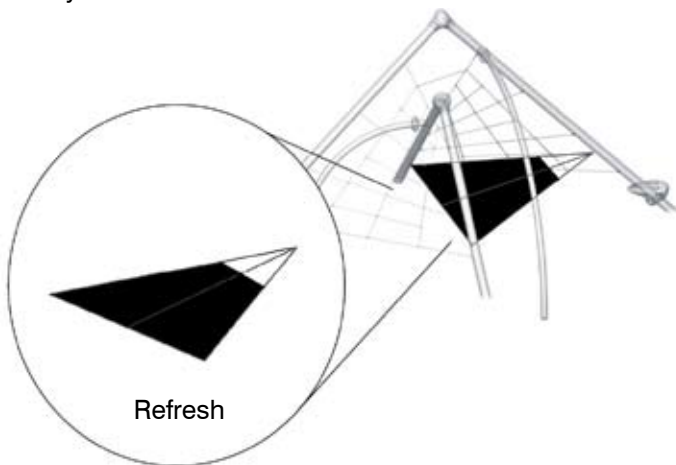

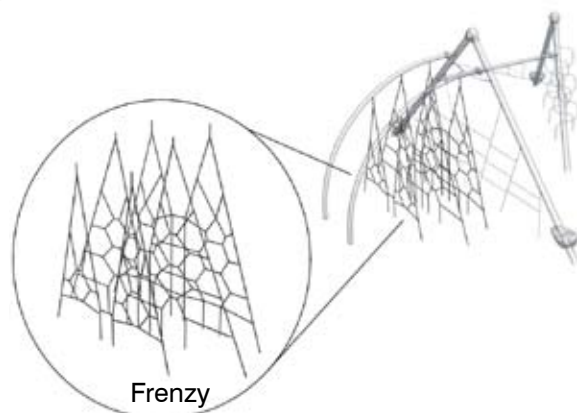

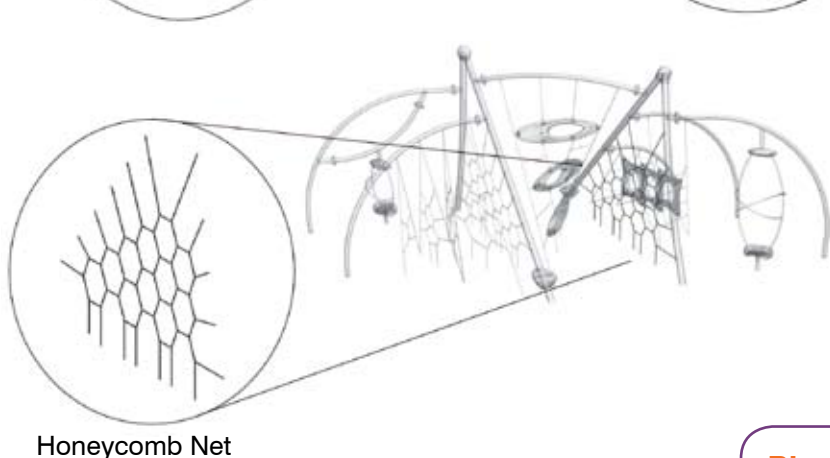

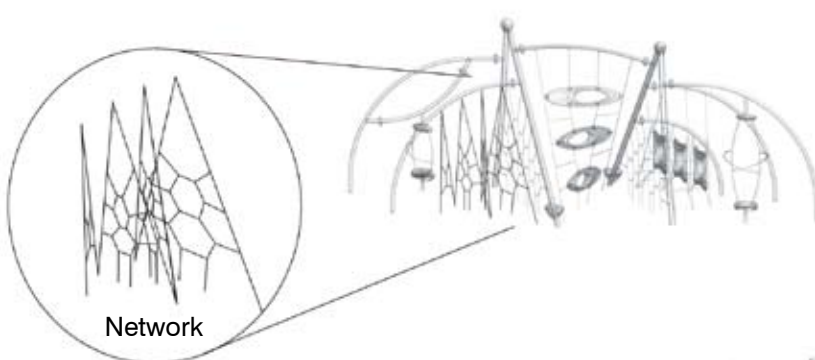

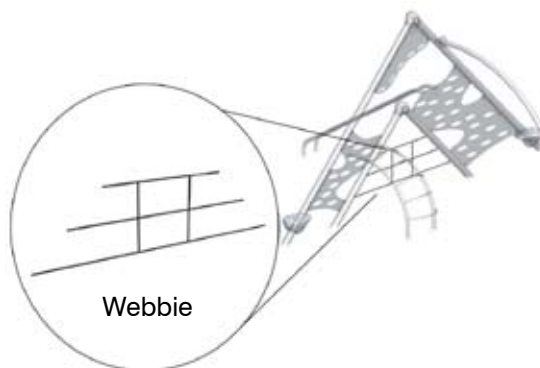

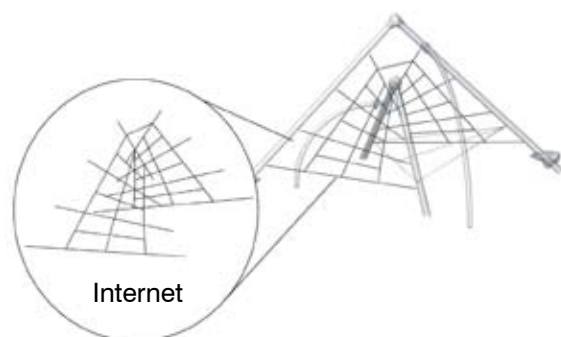

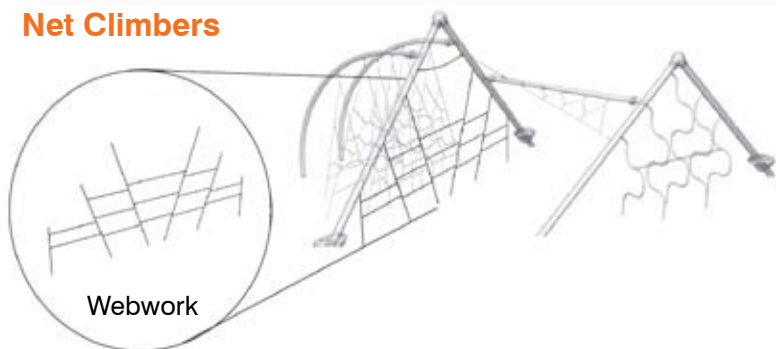

## Plastic & Net Climbers

# Activo Components

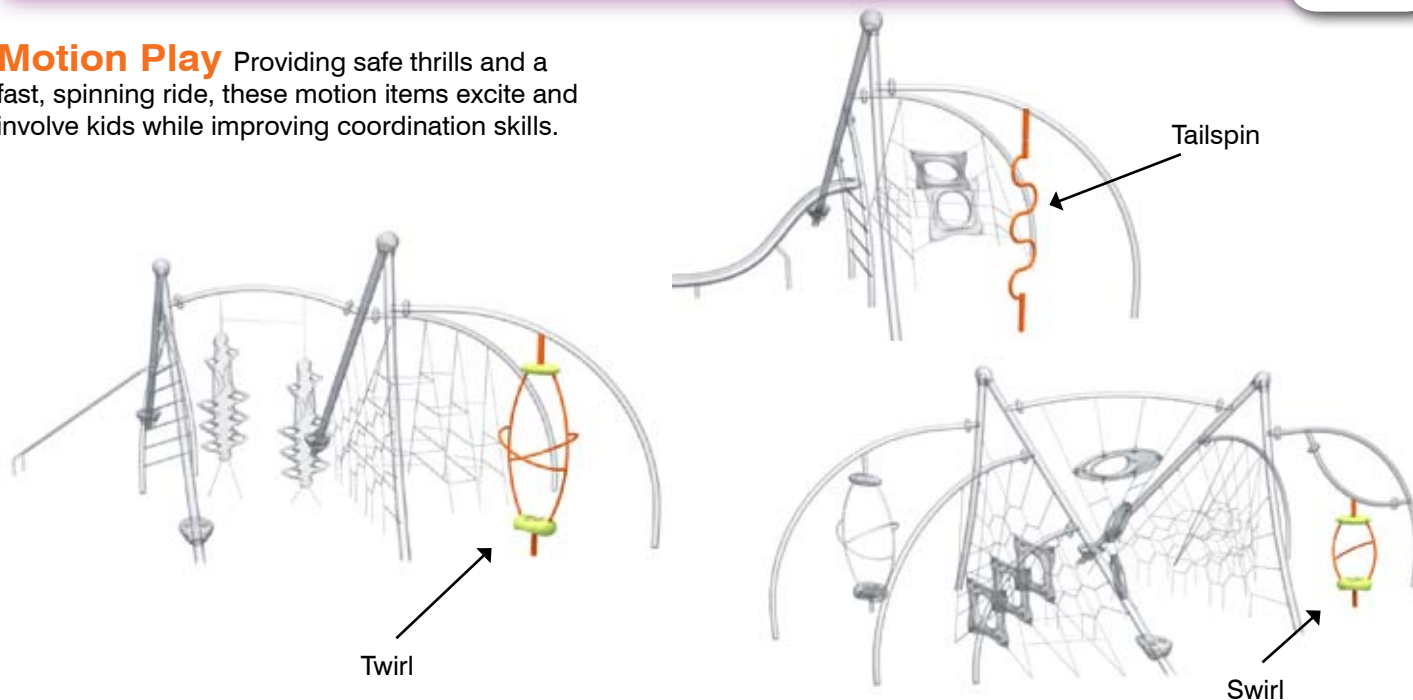

## Net Climbers

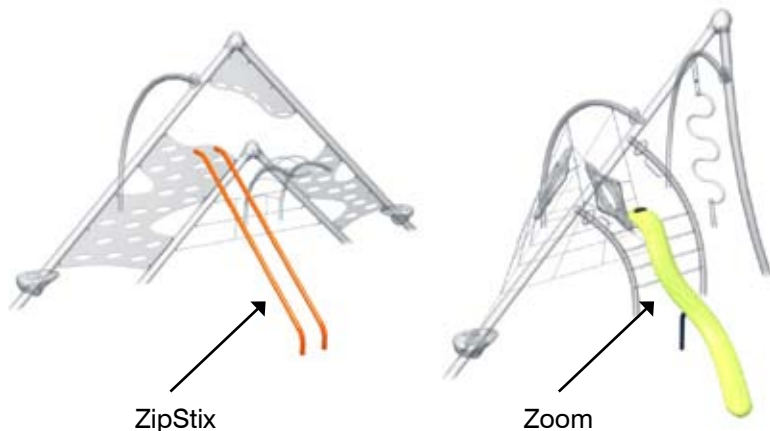

# Activo Components

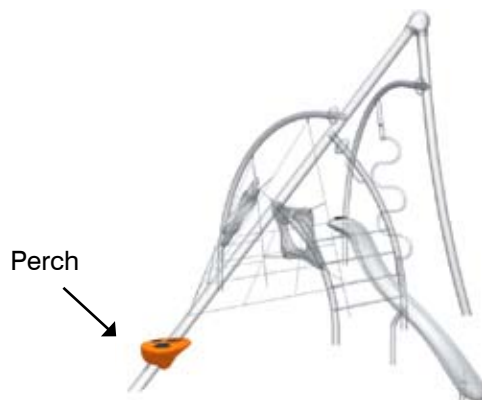

**Motion Play** Providing safe thrills and a fast, spinning ride, these motion items excite and involve kids while improving coordination skills.

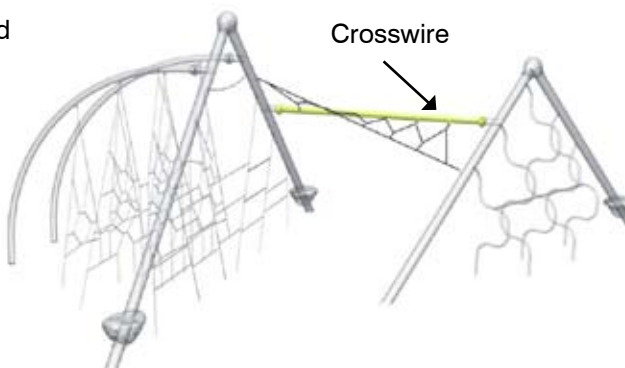

**Glides** More fun and challenging than a typical slide, these glides allow for multiple ways to play while developing lower body strength, balance and problem-solving skills.

**Perch** This key component play functionally links all Activo designs while providing children a place to sit and hang out.

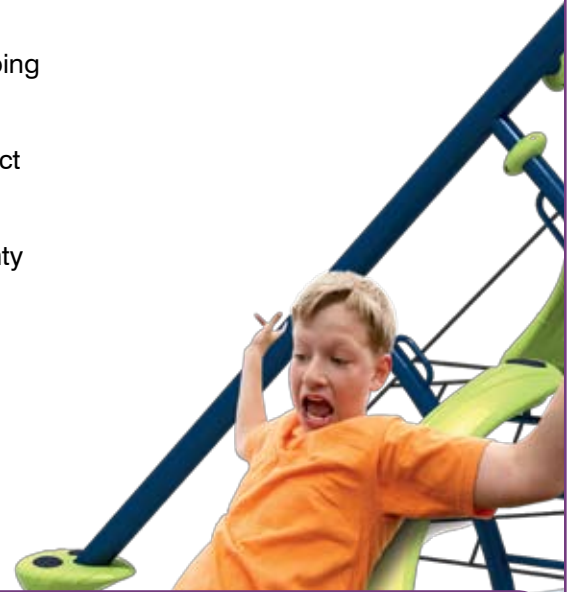

**Crosswire** Children will swing, hang and climb while developing upper body strength and building coordination.

## Activo Technical Information and Certifications

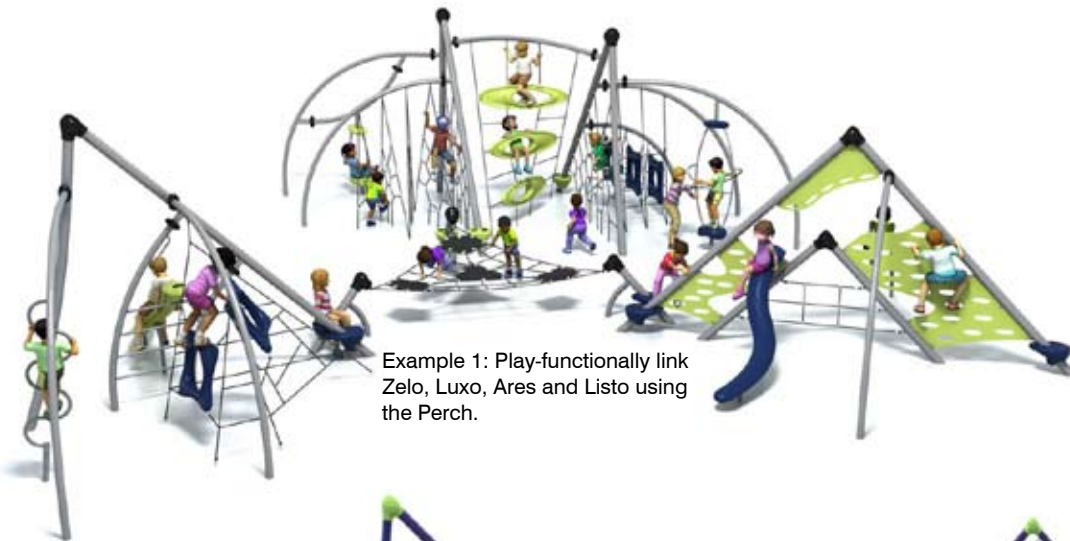

- Activo is ADA accessible when installed with an accessible, shock absorbing safety surfacing.
- Activo is made from the same high quality materials you've come to expect from Playworld Systems.
- Activo comes complete with a lifetime warranty on steel, a 15-year warranty on plastic and a 10-year warranty on net.
- Activo's steel and plastics materials are available in all colors, and rope is available in black.
- Activo is available in surface and in-ground mount options.

ASTM F1487 CPSC PUB.325 CAN/CSA-Z614 EN1176

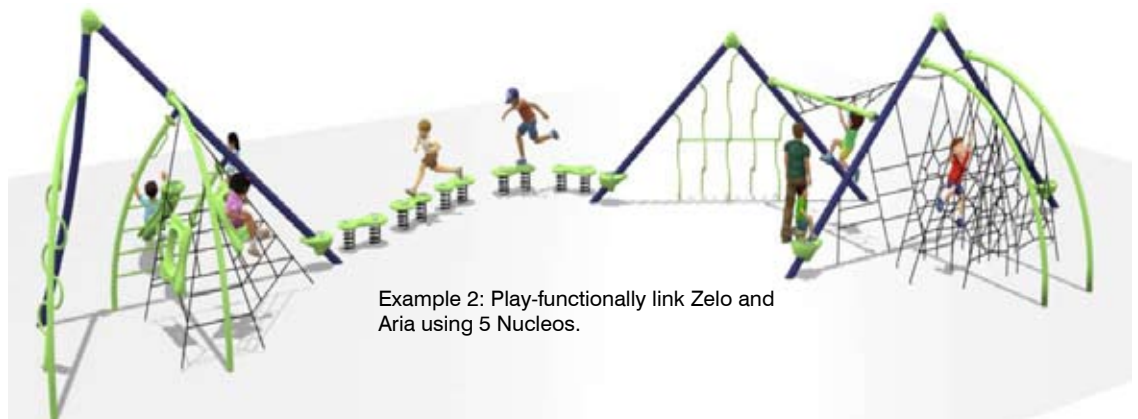

## Leasing & Phasing Programs

Our leasing program lets you play now, and pay in installments. Our phasing program allows you to build your play area in budget-friendly sections.

Example 1: Play-functionally link Zelo, Luxo, Ares and Listo using the Perch.

Example 2: Play-functionally link Zelo and Aria using 5 Nucleos.
