

PentaWeb

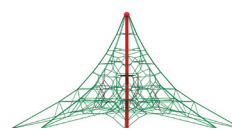

“Web sites” for real interaction.

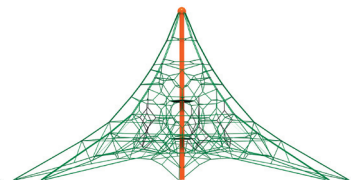

- No sitting and surfing here. Our PentaWeb play system is all about action, each with an enticing, crazy maze of rope climbing ventures. Kids will hold fast to fun, physical and mental challenges while weaving their way up, down and everywhere in-between.
- Available in three sizes, small, medium or large.
- Post is available in any of our 16 powder-coat colors.
- Rope is available in either green or red.
