WHY PLAYMORE

CREDIBILITY – With over 30 years of industry experience, Playmore ownership has worked with customers on projects of all sizes and budgets. Today, with over 150 installations of various recreational projects a year, Playmore has established itself as the leader throughout the State of Florida.

TURN KEY PROJECTS – Playmore can be responsible for your entire project. From initial design and purchasing all the way through a complete and complex installation process.

SITE ANALYSIS – A Playmore representative can review your site to assure the right equipment is chosen for that location and to recommend any necessary site work.

DESIGN – In-house design staff offers you Site Layouts as well as a three-dimensional rendering at no charge.

PRESENTATIONS – First class presentations including posters, binders, PowerPoint presentations and online eBinders.

QUALITY – Playmore uses only manufacturers that are known throughout the industry for their high quality standards.

SAFETY – Playmore only uses equipment that meets appropriate safety guidelines. Where applicable, third party certification can also be provided.

GREEN – Playmore has aligned themselves with manufacturers that are leading the industry in eliminating waste, toxins and pollution – making our planet a better place for future generations.

WARRANTY – Each manufacturer we use carries a customer friendly warranty that is equal to, or surpasses, industry standards.

INSURANCE – Our manufacturers carry up to \$11,000,000 General Liability and Playmore carries \$2,000,000 General Liability, \$5,000,000 Umbrella Liability, \$1,000,000 Automobile and \$1,000,000 Worker's Comp.

LOCAL REPRESENTATIVES – A full-time Local Representative can be reached toll free at 888-886-3757 to handle any issues that may arise during your project.

MAINTENANCE TRAINING – Many of our products come with a maintenance kit that explains proper maintenance. Also included are extra hardware, graffiti remover, and touch up paint.

PURCHASING CONTRACTS – Various purchasing contracts are available, including GSA, HGACbuy and various municipality and school district contracts.
